

Ellen Peneski

Ellen Peneski is the creator and facilitator of Road Map to Courage, powerful programs designed to cultivate success from within. An expert in courageous leadership, **Ellen** uses riveting adventure stories and endless enthusiasm to share insights gained from solo journeys throughout the world - including 47 of the United States and 31 countries in South East Asia, Europe, Central and South America. It's this travel along with her 15+ years of professional experience in the finance, automotive, academic and software industries that creates an inspirational and motivational platform to teach others how to fully embrace life through the art of excellence.

- The Courageous Traveler Within

What People are Saying about Ellen...

"Ellen Peneski has the essential experience to help people discover the skill to turn any travel destination into an unforgettable, life-changing journey.

- Marsh Engle, Founder *Amazing Women's Day*

"We all want greater personal power and most of us love to travel. Ellen Peneski's Road Map to Courage combines these two in a unique, innovative way. Ask yourself; would I rather be sitting in a stuffy seminar room working on self improvement or exploring the back roads of a quaint village town and expanding my self awareness?"

- Ardice Farrow, Speaker, Seminar Leader
